- Provided support to lead instructors with a flexible set of responsibilities ranging from teaching, assisting students, and setting up the classroom environment.

SKILLS

PROGRAMMING LANGUAGES

HTML, CSS, JavaScript, C++, Ruby, Rails, TypeScript, MySQL, PostgreSQL, MongoDB, JSON

LIBRARIES & FRAMEWORKS

React, Node.js, Express.js, jQuery, Bootstrap, MongoDB

TOOLS

Git & Github, Netlify, Heroku, Surge, Wordpress, Zeplin, Trello, Postman, JIRA, UNIX, RESTful API

PROJECTS

COVID19
Built from scratch using HTML, CSS, Vanilla JavaScript.

NBA TRIVIA
Built using CSS, React, React Hooks, Node.js.

HITCH
Built on React, CSS, Express.js, Node.js, MongoDB

INFINITY PRO
Built using React, Ruby on Rails, PostreSQL, Node.js

EDUCATION

FORDHAM UNIVERSITY
Master of Science in *Cybersecurity*
Bachelor of Science in *Computer Science*
New York, NY

GENERAL ASSEMBLY
Certificate of Completion
New York, NY
